### **Hiring Companies From Waterloo Region Coming to Mississauga November 23 to Showcase Jobs at TechVibe Recruitment Event Hosted by Communitech**

**Waterloo Region, ON (November 22, 2011)** – Wednesday could be a lucky day for job-seekers looking to land a role in high-tech when 14 Waterloo Region companies participate in a Communitech TechVibe Recruitment Event at the Living Arts Centre in Mississauga Wednesday (Nov. 23). The event is one of a series of such opportunities connecting job-seekers and hiring companies to find the specialized talent needed to fill 1,000 tech job openings in Waterloo Region.

Hiring companies participating in the Mississauga event include: Agfa HealthCare; CAP Solutions Inc.; Christie Digital Systems Canada Inc.; Desire2Learn; Enflick Inc.; Fidus Systems Inc.; Fibernetics Corp.; Ignis Innovation Inc.; Miovision Technologies Inc.; PROCOM; Skybound; Tsavo Media; Monolith Interactive and Virtek Vision International Inc.

“Communitech, which is the organization representing 800 tech companies in Waterloo Region, stages recruiting events regularly in locales surrounding Waterloo Region such as Mississauga and Milton, but also further afield in Ottawa, Montreal and even Vancouver,” said Karen Gallant, Senior Director Talent Networks at Communitech.

Talent attraction is an ongoing priority for tech companies in Waterloo Region as companies continue to expand. The goal of the ongoing recruiting program is to locate specialized talent needed to fill tech jobs in Waterloo Region and to promote the benefits of working in the Region. Communitech highlights the great career opportunities available in an area that offers excellent quality of life.

The recruiting event takes place at the Mississauga Living Arts Centre, 4141 Living Arts Drive, Mississauga from 5-7 p.m. Wednesday, Nov. 23 and is open to all tech industry job-seekers. For full details of the event, candidates should go to:
